

CAMP CREATION: JOURNEY TO THE CORE- OCTOBER 5-7

As campers explore the scientific evidence for God as Creator of this incredible universe - in a fun, hands-on environment - their faith in the Word of God will be strengthened! Your children will learn that they are the most unique of all God's creation and are created for a divine purpose!

And when the sun sets, campers will gather together for stargazing, s'mores, songs and campfire fun!

*"He set the earth
on its foundations;
it can never
be moved."
Psalm 104:5*
